LETTER FROM THE BOARD

PROPOSED GRANTING OF GENERAL MANDATE TO REPURCHASE SHARES

At the annual general meeting of the Company held on June 11, 2021, a general mandate was granted to the Directors to repurchase Shares. Such mandate will lapse at the conclusion of the Annual General Meeting. In order to give the Company the flexibility to repurchase Shares if and when appropriate, an ordinary resolution will be proposed at the Annual General Meeting to approve the granting of a general mandate to the Directors to exercise all powers of the Company to repurchase Shares not exceeding 10% of the total number of issued Shares as of the date of passing of the relevant resolution, amounting to 93,583,662 Shares, assuming that the issued share capital of the Company remains unchanged as of the date of Annual General Meeting.

The Share Repurchase Mandate will remain in effect until the earliest of: (i) the conclusion of the next annual general meeting of the Company; (ii) the expiration of the period within which the next annual general meeting of the Company is required to be held pursuant to the applicable laws or the Articles of Association; or (iii) the date on which such an authority is varied or revoked by an ordinary resolution of the Shareholders in a general meeting of the Company.

With reference to the Share Repurchase Mandate, the Directors wish to state that they have no immediate plan to repurchase any Shares pursuant thereto.

An explanatory statement required by the Listing Rules to be sent to the Shareholders in connection with the proposed Share Repurchase Mandate is set out in Appendix II to this circular. This explanatory statement contains all information reasonably necessary to enable the Shareholders to make an informed decision on whether to vote for or against the relevant resolution proposed at the Annual General Meeting.

PROPOSED GRANTING OF GENERAL MANDATE TO ISSUE NEW SHARES

At the annual general meeting of the Company held on June 11, 2021, a general mandate was granted to the Directors to issue Shares. Such mandate will lapse at the conclusion of the Annual General Meeting. In order to ensure flexibility and give discretion to the Directors in the event that it becomes desirable for the Company to issue any new Shares, an ordinary resolution will be proposed at the Annual General Meeting to approve the granting of a general mandate to the Directors to exercise all powers of the Company to allot, issue and deal with additional Shares not exceeding 20% of the total number of the issued Shares as of the date of passing of the relevant resolution, amounting to 187,167,324 Shares, assuming that the issued share capital of the Company remains unchanged as of the date of Annual General Meeting.

In addition, an ordinary resolution to extend the Issue Mandate by adding the number of Shares repurchased by the Company pursuant to the Share Repurchase Mandate will also be proposed at the Annual General Meeting.

LETTER FROM THE BOARD

The Issue Mandate shall only continue in force until: (i) the conclusion of the next annual general meeting of the Company unless, by ordinary resolution passed at that meeting, the Issue Mandate is renewed, either unconditionally or subject to conditions; or (ii) the date on which such the Issue Mandate is varied or revoked by an ordinary resolution of the Shareholders in a general meeting of the Company, whichever occurs first.

With reference to the Issue Mandate, the Directors wish to state that they have no immediate plans to issue any new Shares pursuant thereto.

PROPOSED RE-ELECTION OF RETIRING DIRECTORS

Pursuant to Article 83(3) of the Articles of Association, the Directors shall have power from time to time and at any time to appoint any person as a Director either to fill a casual vacancy on the Board or as an addition to the existing Board. Any Director appointed by the Board to fill a casual vacancy shall hold office until the first general meeting after his appointment and be subject to re-election at such meeting and any Director appointed by the Board as an addition to the existing Board shall hold office only until the next following annual general meeting of the Company and shall then be eligible for re-election.

Accordingly, the following Directors, namely, Dr. XU Ting, Mr. XU Zhan Kevin, Mr. QIU Yu Min and Dr. GUO Zijian shall retire at the Annual General Meeting and, being eligible, will offer themselves for re-election.

The Nomination Committee has reviewed the structure and composition of the Board, the confirmations and disclosures given by the Directors, the qualifications, skills and experience, time commitment and contribution of the Directors with reference to the nomination principles and criteria set out in the Company's board diversity policy and the Company's corporate strategy, and the independence of all independent non-executive Directors. The Nomination Committee has recommended to the Board on re-election of all the above-mentioned Directors.

LETTER FROM THE BOARD

On the re-appointment of Dr. XU Ting, Mr. XU Zhan Kevin, Mr. QIU Yu Min and Dr. GUO Zijian, the Nomination Committee considered, and the Board shared the same views, that at all times during their period of directorship with the Company, they have properly discharged their duties and responsibilities and have made positive contribution to the development to the Company through independent, constructive and informed comments and participation at the business and other affairs relating to the Group. The re-appointment of the auditors of the Company has been reviewed by the audit committee of the Company which made recommendation to the Board that the re-appointment be submitted and proposed for Shareholders' approval at the Annual General Meeting. GENERAL

The Company’s share registrar in Hong Kong is Computershare Hong Kong Investor Services Limited, at Shops 1712–1716, 17th Floor, Hopewell Centre, 183 Queen’s Road East, Wanchai, Hong Kong.

The English text of this circular and the accompanying form of proxy shall prevail over the Chinese text in the case of any inconsistency.

The following is an explanatory statement required by the Listing Rules to provide the Shareholders with requisite information reasonably necessary for them to make an informed decision on whether to vote for or against the ordinary resolution to be proposed at the Annual General Meeting in relation to the granting of the Share Repurchase Mandate.

1. SHARE CAPITAL

As of the Latest Practicable Date, the issued share capital of the Company comprised 938,005,020 Shares.

Subject to the passing of the resolution granting the Share Repurchase Mandate and on the basis that no further Shares are issued or repurchased before the Annual General Meeting, i.e. being 938,005,020 Shares, the Directors would be authorized under the Share Repurchase Mandate to repurchase, during the period in which the Share Repurchase Mandate remains in force, a total of 93,800,502 Shares which represent 10% of the total number of Shares in issue as of the date of the Annual General Meeting during the period ending on the earliest of (i) the conclusion of the next annual general meeting of the Company; (ii) the expiration of the period within which the next annual general meeting of the Company is required to be held pursuant to the applicable laws or the Articles of Association; or (iii) the date on which such an authority is varied or revoked by an ordinary resolution of the Shareholders in a general meeting of the Company.

2. REASONS FOR SHARE REPURCHASE

The Directors believe that it is in the best interests of the Company and Shareholders for the Directors to have general authority from the Shareholders to enable the Directors to repurchase the Shares in the market. Such repurchase may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net assets and/or earnings per Share of the Company and will only be made when the Directors believe that such repurchase will benefit the Company and Shareholders.

3. FUNDING OF SHARE REPURCHASE

Share repurchase must be funded legally available for such purpose in accordance with the Articles of Association of the Company and the laws of the Cayman Islands, being profits of the Company or out of the proceeds of a fresh issue of the Shares made for the purpose of the repurchase, or, if authorized by the Articles of Association and subject to the Companies Act, out of capital of the Company, and, in the case of any premium payable on the repurchase, out of the profits of the Company or from sums standing to the credit of the share premium account of the Company before or at the time the Shares are repurchased in the manner provided for in the Companies Act.

4. IMPACT OF SHARE REPURCHASE

There might be a material adverse impact on the working capital or gearing position of the Company (as compared with the position disclosed in the audited consolidated financial statements for the year ended December 31, 2021 contained in the 2021 annual report of the Company) in the event that the Share Repurchase Mandate was to be carried out in full at any time during the proposed repurchase period. However, the Directors do not intend to exercise the Share Repurchase Mandate to such extent as would, in the circumstances, have a material adverse effect on the working capital requirements or the gearing levels of the Company which in the opinion of the Directors are from time to time appropriate for the Company.

5. EFFECT OF TAKEOVERS CODE AND MINIMUM PUBLIC HOLDING

If as a result of a repurchase of Shares pursuant to the Share Repurchase Mandate, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition of voting rights for the purposes of Rule 32 of the Takeovers Code. Accordingly, if a Shareholder, or a group of Shareholders acting in concert (within the meaning of the Takeovers Code), depending on the level of increase of the Shareholder's interest, could obtain or consolidate control of the Company, it will become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code.

To the best knowledge of the Company, the Directors are not aware of any consequences which would arise under the Takeover Code as a result of an exercise of the proposed Share Repurchase Mandate.

The Directors do not propose to exercise the Share Repurchase Mandate to such an extent as would, in the circumstances, give rise to an obligation to make a mandatory offer in accordance with Rule 26 of the Takeovers Code and/or result in the aggregate number of Shares held by the public shareholders falling below the prescribed minimum percentage required by the Stock Exchange.

6. GENERAL

None of the Directors or, to the best of their knowledge, having made all reasonable enquiries, any of their respective close associates currently intends to sell any Shares to the Company, if the Share Repurchase Mandate is approved by the Shareholders.

The Directors have undertaken to the Stock Exchange that, so far as the same may be applicable, they will exercise their power to repurchase any Shares pursuant to the Share Repurchase Mandate in accordance with the Listing Rules, the Articles of Association of the Company and applicable laws of the Cayman Islands.

As of the Latest Practicable Date, no Core Connected Person of the Company has notified the Company that he/she/it has a present intention to sell any Shares to the Company, or has undertaken not to do so, if the proposed Share Repurchase Mandate is approved by the Shareholders.

7. SHARE REPURCHASE MADE BY THE COMPANY

The Company had not repurchased any Shares on the Stock Exchange from the Listing Date to the Latest Practicable Date.

8. SHARE PRICES

The highest and lowest prices at which the Shares have been traded on the Stock Exchange during each of the 12 months prior to the Latest Practicable Date were as follows:
